MY SCHOOL'S VOICE

an iron gavel
with a colonial agenda
smashes my fingers
canes my legs
and makes me stand
in the corner
wearing the dunce cap

it keeps insisting
my people and i
are inconsequential
we should be grateful
for being enslaving

its lessons
privilege
snow in the tropics
mozart over marley
and offers cucumber
sandwiches
as bribe
to discard patty

Calabash: A Journal of Caribbean Arts and Letters is an international literary journal dedicated to publishing works encompassing, but not limited to, the Anglophone, Francophone, Hispanophone and Dutch-speaking Caribbean. The Journal is especially dedicated to presenting the arts and letters of those communities that have long been under-represented within the creative discourse of the region, among them: Aruba and the Netherlands Antilles, Maroon societies, and the Asian and Amerindian societies of the region. Calabash has a strong visual arts component.
